

Breakfast Policy

At Nathan Hale, we believe that a good breakfast leads to a healthy, productive day. We are fortunate that the New Haven Public School system provides a *free* breakfast for the all students. Breakfast is available for all children during the breakfast hours set by the school. Below is information pertaining to Nathan Hale's Breakfast Program.

Grades 5-8

- A hot breakfast is provided.
- Breakfast is available between 7:30-7:55.
- Students will sit and eat breakfast with their homerooms in the cafeteria.
- Breakfast is NOT available if students arrive after 7:55

Grades K-4

- A cold breakfast is provided.
- Breakfast will be distributed as your child proceeds to his or her classroom.
- Students will eat breakfast in their homeroom.
- Breakfast will be distributed between 7:45-7:55.
- Breakfast is NOT available if students after 7:55.

If your child is going to eat breakfast at school, it is important that he or she is on time. Students will not be allowed to go to the cafeteria to get a breakfast if he or she is tardy. It is important to respect the instructional time of students and teachers. If you log on to the New Haven Public School web site (www.nhps.net) there is a link where you can locate monthly newsletters and menus produced from the Food Service Department.

Thank you for your support.
